\$4 Million Gift To Help Build New Sports Arena: McLeodUSA Center

The University of Northern Iowa announced receipt of the largest gift in the institution's 124-year history on July 25, 2000. Clark and Mary McLeod, on behalf of McLeodUSA, will donate \$4 million to help build a new sports arena on the UNI campus.

According to UNI President Robert D. Koob, this is the lead gift to support construction of the \$15 million McLeodUSA Center, which will become the primary performance venue for UNI intercollegiate men's and women's basketball, volleyball and wrestling.

"This arena will be the first visible element of a collaboration between UNI and McLeodUSA to promote student excellence," said Koob. "Other elements of this collaboration may include internships, technology enhancements, scholarships and other opportunities."

"UNI is committed to its students and to serving the state of Iowa," said Clark McLeod, chairman and chief executive officer, McLeodUSA. "We have a similar commitment. Our future growth will depend on our ability to attract and retain people who are willing to grow, who value relationships, and who have the passion and commitment to be the best they can be. Iowa needs to keep these people here in the state. We see this gift as an investment. It's an investment in the University of Northern Iowa and it's an investment in future opportunities for all Iowans."

According to UNI Athletic Director Rick Hartzell, the arena will contain approximately 5,000 to 6,000 seats and will be located on the campus's west side, near the UNI-Dome and Wellness/Recreation Center. Once funds are secured, construction is expected to take approximately 24 to 36 months.

"UNI has some of the best student athletes, coaches and teams of any institution in the Midwest," said Hartzell. "What we don't have is a facility to match our people in these programs. The McLeodUSA Center will be one of the best of its size in the nation; an outstanding facility in which to showcase our quality student athletes and athletic programs."

The McLeod gift also is the lead gift to the UNI Foundation's \$75 million "Students First" campaign – the next phase of a recent, highly successful scholarship campaign that exceeded its goal, raising \$14 million. The new, broader "Students First" campaign will focus on scholarships, academic programs and facilities.

"This facility will serve the communities of the Cedar Valley," said Bill Calhoun, UNI vice president for Advancement and president of the UNI Foundation. "Similar to the Gallagher-Bluedorn Performing Arts Center, the McLeodUSA Center will be another result of a successful private/public partnership between UNI and the Cedar Valley."

New construction covered by the Students First campaign will include the McLeodUSA Center; R.J. McElroy Hall, the university's new early childhood education facility on the Allen College campus, in Waterloo; and a human performance center. Facilities needing renovation or equipment are Russell Hall, Lang Hall and McCollum Science Hall.

According to Calhoun, the official campaign kickoff will take place in 2002. The university's last major campaign ended in 1995, raising more than \$33 million, and exceeding its goal of \$25 million.

To the Media

Press facilities in the West Gym are very limited. Only working media are allowed access to the press area, which is located on the south side of the arena.

Head coach Brad Penrith and team members are available for interviews in person or by telephone on most occasions. Interviews may be arranged through Assistant Athletic Media Relations Director Jill Gansemer (319-273-5455) or directly through the Wrestling Office (319-273-5860).

UNI wrestling information can be found on the World Wide Web at www.uni.edu/athletic/wrest.

There is a new era beginning for the Northern Iowa wrestling team and with that new era there is a new look with new traditions.

Brad Penrith is proud and excited to be a part of this new tradition at UNI as he was announced head coach June 21. Penrith has been at Northern Iowa since 1997, where he served as the top assistant coach for the wrestling program.

"This program has huge potential, as we are in the hot bed of wrestling," said Penrith. "We are in the Midwest and Iowa.

"There is a lot of support, tradition and history and, hopefully, we can compete with the best of them."

Penrith is coming into a successful program, one that finished the 1999-00 season ranked 11th in the nation.

Missing from last year's squad are two outstanding athletes that have found a place in the record books and on Penrith's coaching staff.

All-Americans Tony Davis and Randy Pugh have made their marks in Panther history and losing them from team competition will be a challenge, but their knowledge and mental toughness will be a great asset to the UNI squad as coaches.

Davis finished his career with a remarkable season with a 27-1 record and a national championship, while Pugh finished with a 70-17 overall record and a fourth-place finish during last year's nationals.

The Panthers are excited about the 2000-01 season as they are ranked 15th nationally preseason. Penrith believes that the team's ultimate goal every year is to be national champion. This year is no different.

Penrith's philosophy, however, is to take things one day at a time; therefore, the team's short-term goal is to wrestle the team into the top 15 or maybe even the top 10.

"We can't sit on our laurels with what we accomplished last year and how many all-Americans we had, we have to worry about now," said Penrith.

The biggest challenge for the 2000-01 season is how the team will

Kyle Hansen

respond in the first wave of duals and tournaments. In the first few weeks, the Panthers face Minnesota, Wisconsin, Iowa and attend the Nebraska-Omaha Open.

Penrith wants his team to take something positive out of the first few weeks. "Regardless of the outcome, wins or loss record, we need to stay focused and that will be the challenge for these guys," said Penrith.

Here is what the Panthers look like at each weight class:

125 - Sophomore Eric Dunmire has learned how hard it is to lose a heart-breaking match during the West Regionals, which kept him from competing at nationals. With this loss, Dunmire is hungry for his chance to compete this year and show everyone that he is ready for nationals.

"He has all the talent in the world, but he just needs to get after it," said Penrith.

"His big battle this year may be with his weight, but if he gets that under control, the sky is the limit."

Freshman Dustin Brewer, last year's high school national champion, is waiting in the wings for his shot on the mat.

133 - Senior Chad Boudreaux has made some huge strides during his summer break and the little mistakes from

last year have now turned into correct judgements during practice.

"He has improved immensely and could be an all-American this year for us," said Penrith.

There will be a great battle at 133, as freshman Dylan Long will be competing for the starting position against Boudreaux. Long had a great redshirt year and he continues to build on his strength for the upcoming season.

141 - Senior Mark Rial is one of the hardest workers on the mat and he looks to surprise a lot of people this year.

"He does all of the extra things and I think this year he will reap the benefits," commented Penrith.

149 - It will be hard to replace national champion Tony Davis, but senior Keith Weber gets the nod at 149, one of the most difficult weight classes in the country.

Weber did an outstanding job last year when Davis was bumped up to 157 on the East Coast trip, beating a couple of ranked opponents.

"He is up for the challenge and is working out with the toughest guys in the room and is not afraid of putting his nose in there," said Penrith.

"Weber is a team player", said Penrith. "He is one of those kids that you can call at any hour and he will work out

with you and he is also one of those kids that if you need anything, he will be there for you."

Joining the Panther squad second semester will be senior Nick Flach. Flach attended his second NCAA National Tournament last season with a final record of 20-7.

"He has all the talent in the world...but he needs to learn how not to put so much burden on his shoulders," said Penrith.

157 - Redshirt freshman Drew Kelly will get the start at 157. All of the accolades given to Kelly, such as his three state championships and being the number one ranked wrestler coming out of high school, have not gone to his head.

"He has been working so hard with every aspect of wrestling, that we had to restrain him," Penrith said.

"He can step right in there as a freshman and be an all-American for us, he is that talented."

Sophomore Tom Koenig is a lot like Weber, someone who will go the extra mile by doing anything for the team. Koenig has improved greatly by working on his skills over the summer.

165 - This will be a very interesting weight class as both Nate Lawrenz and Bob Koenig will be battling for the opportunity to be the team's starter at 165.

"This is something we want," said Penrith, "The opportunity to have two quality guys battling for the starting position. This fierce internal competition is something we did not have in the past."

Lawrenz qualified for his second NCAA tournament last year. "He is a hard-nosed kid with a lot of ability and strength, but he needs to concentrate on his positioning," said Penrith.

Last year, Koenig went down to compete at 157 and it proved to be a struggle for him. "This year, he should be more comfortable, both in weight and endurance," said Penrith, "because at 157, he lost a lot of his endurance."

174 - This weight class has a trio of wrestlers ready to get the nod from Penrith. Eric Brown, Ricky Crone, and

Tim Matthys are three exciting athletes at this weight class.

Brown was a three-time state champion at Miami South Dade High School and a national champion at Neosho Junior College.

"Brown has a lot of talent and was very successful in junior college competing against Division I opponents," said Penrith.

Crone and Matthys will be right in the mix of things at 174. They both have a different style of wrestling.

"One is physical on his feet, while the other is physical on the mat," said Penrith. "It is up to the competition to determine which one is which."

184 - Junior Kyle Hansen won some big matches last year, going 14-5.

Included in that successful year was his first trip to the NCAA National Tournament.

Penrith is excited about Hansen's future with the team. "Hansen is going to have an outstanding year for us...he has finally matured mentally."

He could be challenged by Brown, Crone or Matthys from the 174 weight class.

197 - Getting the starting nod at 197 is junior Jason Payne. Payne probably is

one of the most underrated wrestlers on the Panther squad and is ready for his turn to show his opponents what he has.

"He is strong and explosive with a lot of tools," said Penrith. "This is a tough weight class, but Payne can be right in the mix of things."

HWT - Sophomore Paul Hynek is ready to compete again for Northern Iowa at heavyweight. Hynek finished the season with a win during the first round of the NCCA National Tournament.

"Hynek has finally filled out his body and now has a build of a heavyweight," Penrith noted.

Last year at nationals, Hynek was about 220 pounds and so far this season, he is 245-250.

"We are not worried about speed, because the added beef will allow him to battle with the bigger guys. Before, some of his losses were because of size and strength."

The Panthers have a tough schedule this season, as they will face the top five teams from the NCAA National Tournament and seven of the top 10 squads.

Paul Hynek

Former University of Iowa all-American and national champion Brad Penrith was named head coach on June 21. Penrith is not new to Northern Iowa or the Panther wrestling program, as he has been the top assistant coach, replacing former head coach Mark Manning.

During the past three seasons as assistant coach, the Panthers posted their first winning dual record in seven

years this past season at 10-5-2 and placed 11th at the NCAA Tournament, the best by a UNI squad in six seasons. He was instrumental in securing recruiting classes that ranked first in the nation this year, 13th a year ago and second two years ago.

"It's been a dream for me to be part of this program that I helped rejuvenate," Penrith said, "and then to become the head coach is something special. I thank everyone involved in the search process for their belief that my staff and I can continue the great tradition here at Northern Iowa."

Penrith is very enthusiastic about leading his Panther squad into a new era with new goals. He believes that the team's long term goal every year should be to win a national champion. To Penrith, what is more important is taking things one day at a time and not worry about what the team has done in the past or what it might do in the future.

Penrith has learned a lot from the places he has been in the past and looks to leverage that knowledge into his new position for the Panthers.

Under former Iowa head coach Dan Gable, Penrith learned Gable's ability to mentally prepare athletes and how to keep focused. From Iowa State head coach Bobby Douglas, Penrith will bring Douglas' technique and strategies to the Panther mat. Finally, one of the things that Penrith will take from coaching at Boise State is what he learned from head coach Mike Young. Young taught him how to relate with the athletes. Penrith believes that with this knowledge, his team will be able to compete with the best of them.

Prior to coming to UNI, he spent the previous five seasons as an assistant at Nebraska, coaching the Huskers' lighter weights. He also served a one-year stint as an assistant at Boise State in 1991-92, spent two seasons at Arizona State from 1989-91, and was a graduate assistant at Iowa.

Penrith won the 126-pound national championship at Iowa in 1986 as a sophomore, and then placed second at 126 in 1987 and 1988. He was a three-time Big Ten champ for the Hawkeyes and was named Outstanding Wrestler at the conference meet in 1986.

A 1988 Iowa graduate, Penrith also made his mark on the international level before retiring in 1996. He captured a silver medal at the 1991 World Championships and was the gold medalist at the Pan American Games in 1989 and '91.

Among his many accomplishments internationally, Penrith was third at the '94 Goodwill Games; was a two-time Sunkist Open champion; took the Roger Coulon title in France in 1992 and '96; was a member of the 1989 U.S. World Team; and took third at the World Cup in 1990 and 1991.

Closer to home, he placed third at the 1996 Olympic Team Trials; won the U.S. Nationals three times--1989, '91 and '93--and was second at the '92 Final Olympic Wrestle-Off.

As a coach, Penrith is renowned as an excellent technician and recruiter. He has been involved with USA Wrestling at several levels of coaching and the summer of 1999 he was the head coach of the United States team that competed at the Junior World Freestyle Championships in Sydney, Australia, which took the bronze medal in the team competition.

In Penrith's five seasons coaching the lighter weights at Nebraska, the Huskers had 12 all-Americans and two national champions. Nebraska also won the Big Eight Conference title twice. As a team, Nebraska posted top 10 finishes at the NCAA's three times in Penrith's five seasons, including third in 1993, and had the top-rated recruiting class in the nation in 1996.

A native of Windsor, N.Y., Penrith was a four-time state placewinner in high school, including winning the state title as a sophomore in 1981. He was named the Outstanding Greco-Roman Wrestler at the 1983 Junior Nationals.

He and his wife, Laura, have two sons, Gabriel (2) and Jacob (born Nov. 1st).

Derek Mountsier *Assistant Coach*

Former Iowa State all-American Derek Mountsier is returning to his home state as assistant wrestling coach for Northern Iowa. The Newton, Iowa, native will serve as the top assistant to first-year head coach Brad Penrith.

Mountsier spent last season as the head assistant at Pennsylvania and, prior to that, a year as an assistant at Nebraska. He also served two years with the Cyclone Wrestling Club prior to his stint at Nebraska.

Pennsylvania placed ninth at last season's NCAA Championships and Mountsier helped guide 157-pounder Brett Matter to a national title. He also was instrumental in securing the Quakers' 2000 recruiting class, which was ranked seventh nationally by *InterMat*. In Mountsier's year at Nebraska, Byran Snyder placed fourth in the nation as a freshman at 157.

Mountsier enjoys coaching and watching his athletes set their own goals. "My biggest accomplishment in wrestling would be in the coaching ranks, and that is above anything I did as an athlete," said Mountsier. "To watch athletes that I have coached put so much dedication and discipline into achieving their goals gives me great satisfaction."

"Derek brings youth, aggressiveness and a great work ethic to our program," Penrith said. "He understands what it takes to succeed in the athletic and academic realm having been at Penn. It's also exciting to have someone with ties to the state."

"Derek is a people person and that's really important," he added. "Derek has all the potential to be a great coach and some day he will be a great head coach."

As a competitor, Mountsier enjoyed an outstanding collegiate career for the Cyclones, earning all-American honors in 1994 and '96. In 1996, he was the Big Eight champion at 142 pounds, placed fourth at the NCAA Championships and captained the Cyclones to an NCAA runner-up team finish. He also finished eighth at 134 pounds in 1994.

He qualified for the NCAA Championships in each of his four seasons at Iowa State, placed at the Midlands each year and finished his career ranked second on the school's all-time win list with 128.

Outside the collegiate ranks, Mountsier is a three-time National Open Greco-Roman all-American (1997-99) and a three-time Greco-Roman World Team Trials placewinner. He also is a University National Greco-Roman Champion.

Randy Pugh *Assistant Coach*

After earning all-America honors this past March on the mat, Northern Iowa's Randy Pugh has moved to the bench as a Panther assistant wrestling coach. Head coach Brad Penrith said his new assistant was a natural choice.

"As a member of the team, Randy was always one of those guys that his teammates looked up to and had those qualities of a successful coach," Penrith said. "We're obviously excited to be able to keep him in the program. His ability to relate to our guys is outstanding and he's going to solidify our upper weights."

Pugh finished fourth at the 2000 NCAA Tournament at 174 pounds, capping a senior season in which he compiled a 26-4 record. He was ranked as high as third nationally after upending top-rated Otto Olson at the Virginia Duals.

Pugh was a state high school champion his senior year at Columbus Junction (IA) before enrolling at the U.S. Naval Academy, where he compiled a 16-8 record his first year. After transferring to UNI in 1998, he went 54-9 in two seasons for the Panthers, giving him a 70-17 career mark.

For Pugh, the biggest change from competing on the mat to coaching his former teammates is motivating others. "When I was on the mat, I was doing what it took to make myself a better athlete," said Pugh. "But as a coach, I am more concerned with what others are doing and helping them improve."

Pugh was not only a leader in the wrestling arena but also in the classroom. Pugh graduated with a degree in Industrial Technology with a GPA of over 3.0 and currently is working towards his Master in Business Administration.

Pugh's goal for the Panther squad is for them to do well in their academic work, because he believes that school comes before wrestling.

Jose DeAnda

Volunteer Assistant Coach

Former Nebraska all-American Jose DeAnda has joined the Panthers as a volunteer assistant coach.

DeAnda went 28-9 at 141 pounds his senior year for the Huskers in 1998-99 and spent last season as a coach with the Husker Wrestling Club.

DeAnda finished his collegiate career finishing eighth at the NCAA tournament and second in the Big 12 Championships. As the fifth seed at the national championships, DeAnda posted a 3-3 record in his first NCAA appearance. He also was named the team's most dedicated wrestler.

"Jose is a utility man and it is hard to describe the impact he will have on the Panther squad," said head coach Brad Penrith. "He will be a tremendous asset to our kids and he is worth his weight in gold."

A South Sioux City, Neb., native, DeAnda finished second at the 1999 Big 12 Championships and was ranked as high as sixth nationally during the season. Penrith recruited DeAnda to Nebraska and coached him for three seasons in Lincoln while a Husker assistant coach.

Tony Davis

Strength and Conditioning Coach

Tony Davis joins the Panther coaching staff after an outstanding athletic career.

Davis accomplished something that many said could not happen at Northern Iowa. He won a national title at 149. It was the first time in 37 years that a wrestler from UNI had achieved such ranks.

Ranked number one for most of the year, Davis finished the season 27-1 and 46-5 in his career at Northern Iowa.

During his four years in college, Davis won three national championships and was the runner up his junior year.

Before coming to Northern Iowa, Davis was a two-time national junior college champ at Iowa Central Community College. He won the 134-pound national title as a freshman with a 33-4 mark. He also won the 142-pound national title as a sophomore with a 32-1 record.

Davis' focus is getting his Physical Education degree and training to be a World or Olympic champion.

"There is not much you can say about such an outstanding athlete such as Tony," said head coach Brad Penrith, "We are very lucky to have him assisting with the program."

Davis is a native of Chicago, Illinois, and attended Mt. Carmel High School.

The University of Northern Iowa, founded in 1876 as the Iowa Normal School, prides itself on providing a student-centered educational experience. In 1909, it became Iowa State Teachers College. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa legislature changed the status of the institution to that of a university.

A DIVERSE STUDENT BODY

The University of Northern Iowa fosters a rich, diverse collegiate atmosphere. The University has made a commitment to increase educational opportunities for minority students and to diversify its student body and faculty. Students come from over 45 states, more than 55 countries and all 99 Iowa counties. Fall enrollment stood at 13,800, highest in school history.

SOMETHING FOR EVERYONE

A campus wide commitment to great teaching lies at the heart of UNI's reputation for providing exceptional undergraduate education, as well as complementary programs at the master's, specialist's and doctoral levels. Building on its historic excellence in teacher education, the University has developed outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences. More than 110 undergraduate majors are offered in a variety of academic fields.

UNI offers a wide variety of cultural programs, lectures, and conferences. The Continuing Education division, often in conjunction with the University's Office of Conference and Visitor Services, works with the business and industry in programs of study and development on the campus.

U.S. News and World Report has recognized the University by ranking it among the best values and most efficient of regional universities in the Midwest. In past years, UNI has been cited

by the magazine in other categories such as "best," "best buy," "up and coming," and "#1 in academic reputation."

The book, *Crime at College: The Student Guide to Personal Safety*, credits UNI with having the safest campus/community in the country.

THE CAMPUS

The Northern Iowa campus combines the grandeur of early 1900s architecture with striking, modern building designs that have characterized an impressive growth period over the past dozen years. The attractive, park-like campus contains more than 40 major buildings on 861 acres, yet is compact enough to cross in a 10-minute walk.

IN THE HEART OF NORTHEAST IOWA

The University is located in Cedar Falls, Iowa, which is tucked away in northeast Iowa. Cedar Falls is a community that still remembers what small-town American life is supposed to be. It combines diverse cultural entertainment, beautiful scenic nature trails, numerous historical landmarks and the warmth of midwest friendliness.

With a population of over 36,000, Cedar Falls has a secure small-town atmosphere with all the advantages of a much larger city. In combination with neighboring Waterloo, a population of more than 100,000 forms a culturally rich metropolitan area.

Dr. Robert Koob, President

Robert Koob, a native of Hawarden, Iowa, and a 1962 graduate of UNI, was appointed the University's eighth president in August, 1995.

The Koob presidency has stressed a commitment to strategic planning to guide the institution's efforts, the effective use of technology in higher education, the importance and value of developing a university commu-

nity, and has renewed the University's commitment toward teaching and learning. Koob believes in reaching a better understanding of each student's abilities, and ensuring students achieve a university education of the highest quality as they become valued and productive members of society.

Before coming to UNI, he was senior vice president and vice president for academic affairs at California Polytechnic State

University at San Luis Obispo, Calif., since 1990.

Prior to his position at Cal Poly, Koob was vice president of academic affairs at North Dakota State University in Fargo, N.D., from 1985-90, and served a one-year term as interim president there from 1987-88.

At Cal Poly, Koob was a director and chair of the Cal Poly Foundation, and served on a number of CSU system committees, including the CSU Commission on Telecommunications Infrastructure.

He began his teaching career at North Dakota State in 1967 as an assistant professor of chemistry, advancing to professor in 1972. He served as chair of the chemistry department for six years, acting chair of the physics department for a year and dean of the College of Science and Mathematics from 1981-84 before assuming the vice presidency.

Koob graduated from State College of Iowa (now UNI) with a B.A. in chemistry and earned his doctorate in chemistry from the University of Kansas in 1967. He and his wife, Yvonne, have seven children.

Rick Hartzell, Director of Athletics

Rick Hartzell, former Director of Athletics and Recreation at Bucknell University, was named Director of Athletics at the University of Northern Iowa on August 9, 1999.

Hartzell replaced Chris Ritrievi, who resigned to accept a position at Michigan State University.

Hartzell had been at Bucknell since 1988, directing a

Division I program with 1-AA football consisting of 28 sports. During his tenure, he initiated and completed several building projects costing over \$10 million dollars and guided the department through the NCAA certification and the gender equity review.

Bucknell's football program claimed the Patriot League title in 1996 and was nationally ranked in both 1996 and '97. The men's cross country, wrestling, men's lacrosse and water polo teams reached the Top 20 in the country during Hartzell's reign, and the men's basketball team played in the NCAA Tournament twice.

Additionally, Hartzell directed a \$25 million dollar fundraising effort, and Bucknell ranked first in the nation in the graduation rate of all student-athletes in 1995 and '97, and never ranked lower than fourth in the annual NCAA statistics.

Prior to his appointment at Bucknell, Hartzell was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program, which moved from Division II to Division I during his tenure.

Prior to being named at Baltimore County, he was an Assistant Athletic Director for Football and Men's and Women's Basketball at Northwestern University from 1982-85; was an Administrative Assistant to the Director of Athletics and Assistant Baseball Coach from 1980-82 at the University of Iowa; and an instructor, Assistant Football Coach and Head Baseball Coach from 1977-80 at Coe College in Cedar Rapids, IA.

Hartzell is no stranger to UNI. He played football and baseball for the Panthers. He received his bachelors degree from UNI in Physical Education and English in 1974, and his masters in Educational Administration from UNI in 1977.

He was a five-sport letterman at Klemme, Iowa, High School. He has two children -- Nate, 20, and Amanda, 18. Hartzell was born April 2, 1952.

One of the most important aspects of a future productive life is your education. Fortunately, this education period comes early in life while you have the time and energies necessary to accomplish this very worthwhile goal. Obtaining a college education and ultimately a degree is the student-athlete's responsibility. The education process means managing your time wisely so that the educational, athletic and social aspects of your life have an appropriate share of time.

At given times, students may find it necessary to ask for help in accomplishing an educational task. At Northern Iowa, the following services are available to students for obtaining guidelines and/or specific help.

Academic Counseling

An advisor has been assigned responsibilities across the Athletics Department and will assist you in:

- Scheduling
- Choice of major
- Selection of a major advisor
- Tutorial services
- Maintain satisfactory progress toward a degree

The Athletics Academic Advisor works closely with the University's Academic Advising Services to provide a variety of services to help students achieve their personal, career and academic goals.

Professional and peer advisors help students...

- Prioritize life/professional goals
- Utilize University resources
- Select appropriate courses
- Resolve academic difficulties
- Interpret institutional academic requirements

The Reading/Learning Strategies Program provides many services for students, including free four-week courses in:

- Speed Reading -- double your reading rate
- Effective Study Strategies -- practice techniques for learning, managing time and preparing for exams
- Study Reading -- open to students referred by the Teacher Education Program

Educational Opportunity Program

The mission of the Educational Opportunity Program is to provide supportive services which are essential for the identification, recruitment, retention and graduation of minority and educationally disadvantaged students who traditionally have not had equal access to higher educational institutions.

Services provided to participants include:

- Academic and career counseling
- Tutorial services
- Financial aid counseling and advising
- Personal counseling
- Course selection and registration
- Educational planning

In order to be an EOP participant, the student must be a minority student or be educationally disadvantaged, as evidenced by having an ACT score of 15 or less and/or placing in the bottom half of his/her high school graduating class.

Center for Academic Achievement

The Center for Academic Achievement is a student service organization. Its goal is to provide all students with the assistance necessary to develop or polish the academic skills essential to the pursuit of a college degree. The services are threefold:

- Reading
- Writing
- Mathematics

The climb back to the national spotlight continued for the Northern Iowa wrestling team this past season, and there was no better evidence than Panther senior Tony Davis. When Davis scored a takedown and near fall 1:40 into overtime to defeat Illinois' Adam Tirapelle in the 149-pound final at the NCAA Championships on Mar. 18, he became the first Panther to win a Division I title in 37 years.

Davis' accomplishments over the past two seasons at Northern Iowa epitomized the growth of the program under third-year head coach Mark Manning. As a team, the Panthers reached several benchmarks that haven't been in the picture for UNI wrestling in quite awhile.

Their 11th-place finish at the NCAA Tournament was the best in six years; the 10-5-2 dual record was the first winning mark in seven years; and a spot in the top 10 in the national rankings also was the first in seven years.

Individually, Davis grabbed most of the headlines throughout the season. He began the year at no. 1 after finishing second at the national tournament the previous year. He maintained that ranking and undefeated status until dropping an overtime decision to Reggie Wright of Oklahoma State in a Feb. 11 dual. But he still entered the tournament as the top seed and cruised through the bracket until his finals showdown with Tirapelle, which ended regulation tied 1-1.

The overtime win gave Davis the title, a 27-1 record and 46-5 mark in two years at UNI. In four collegiate seasons, including the first two at Iowa Central Community College, he posted a 111-10 mark and won three national championships while finishing second the other year. He is UNI's first Division I champ since Bill Dotson won at 137 in 1963.

Sometimes overshadowed by Davis' accomplishments was an outstanding senior campaign by 174-pounder Randy Pugh, who became an all-American by finishing fourth at the NCAA's. Pugh was ranked among the top 10 nationally throughout most of the season, reaching as high as no. 3. He completed his senior year with a 26-4 record and went 70-17 for his collegiate career, which included two years at Navy.

The third senior to put the finishing touches on his Panther career was 197-pounder Tony Wieland, who went 11-11 as a senior and 78-47 in four years, including all-America honors as a freshman in 1996.

UNI's other NCAA qualifiers included junior Nick Flach (141), sophomores Nate Lawrenz (165) and Kyle Hansen (184), and freshman Paul Hynek (HWT).

The Panthers opened their dual season on Nov. 26, earlier

Tony Davis

than usual, with a 17-17 tie with Wisconsin. A 25-15 loss at top-rated Iowa on Dec. 1 was the best showing for the Panthers in 12 years against the perennial national champions and was perhaps a sign that this year's UNI team was something a little more formidable than those of the previous several seasons.

After a 27-6 setback to no. 3 Minnesota on Dec. 10, UNI reeled off victories in seven of its next eight meets and went 9-1-1 from Dec. 12 through Feb. 5. Included in that run were victories over then-no. 7 Michigan, Ohio State, Pittsburgh and Purdue, and a tie with eighth-ranked Nebraska. The Panthers finished second at the prestigious Virginia Duals, dropping a 27-6 decision to ninth-ranked Edinboro in the final. The dual season ended Feb. 20 with a 33-8 setback to no. 2 Iowa State.

In the post-season, UNI won its 15th consecutive regional title, taking the NCAA West championship on its home turf in Cedar Falls and qualifying the aforementioned seven wrestlers for the national tournament.

Throughout the season, the Panthers were able to send a solid lineup to the mat in every meet. Redshirt freshman Eric Dunmire compiled a 10-8 record in his first collegiate season and was ranked as high as 11th nationally. He narrowly missed an NCAA bid after finishing fourth in the regional.

Juco transfer Chad Boudreaux made several appearances in the national rankings at 133 before finishing the season at 16-10 and a fourth-place finish at the regional. Flach was nationally ranked at 141 and compiled a 20-7 mark in his first healthy season in two years.

Davis was the man at 149, while freshman Bob Koenig battled his way to a 16-13 slate at 157 despite missing a month with a knee injury. Lawrenz finished 14-12 at 165 and earned his second NCAA berth in as many seasons, while Pugh held down the 174-pound spot.

Hansen was ranked for much of the season at 184 and finished with a 17-12 mark. Wieland fought off a mid-season challenge from juco transfer Jason Payne at 197 and Hynek established himself as one of the top young heavyweights in the country by going 18-12, posting wins over a pair of top 10 opponents, and winning two matches at the NCAA Tournament.

Ed Ewoldt Scholarship

In January of 1992, Northern Iowa officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University's athletics program.

The scholarship was made possible by a \$120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program has awarded a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (Iowa) High School from 1955-58 and Wheaton (Ill.) Central High School, where he coached Magruder, from 1959-88.

"Ed has had a tremendous impact on my life," Magruder said, "and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend."

Magruder is the Chief Executive Officer of Pusser's West Indies, Inc. He serves as Chair of the National Restaurant Association and is a member of the Business Advisory Council at the University of Mississippi. He also is a Trustee at Buena Vista College and of the Culinary Institute of America.

The recipients of the Ed Ewoldt Scholarship for the 2000-01 season are Paul Hynek, Drew Kelly and Dustin Brewer.
